

IF THE CHAMBER DIDN'T...

The Clintonville Area Chamber of Commerce is dedicated to serving its members and communities, to actively encourage communication & cooperation between business, industry, education & the community.

If the Chamber didn't...

Maintain an office with staff exclusively devoted to the civic, commercial and industrial development of Clintonville, *who would?*

Conduct programs designed to assist and support both new and established businesses in the Clintonville area, *who would?*

Provide numerous vacation and tourism guides to actively market and promote our community, *who would?*

Answer the thousands of questions every year about this area, made in person, by mail and by telephone, *who would?*

Coordinate the efforts of local businesses in attracting and maintaining consumers and employees, *who would?*

Maintain a central agency representing the principle civic and business interests to which visitors and residents can come for information, *who would?*

The Clintonville Area Chamber of Commerce does all of these things, and is still ready to lead the way on all matters relative to making our community a better place to live, work, play and do business!
